

MAHAK Khandelwal - UI UX Designer

About Me

I'm passionate about creating intuitive digital experiences. Experienced in user research, wireframing, prototyping through academic and industry projects. Seeking an opportunity to design user-centered products while collaborating with cross-functional teams.

Education

- **Bachelors of Design (UI UX)** (2023-2027)
Vivekananda Global University, Jaipur
- **12th - 84%** (2022-2023)
Cambridge Court world school, Jaipur
- **10th - 80%** (2020-2021)
Shanti Asiatic School, Jaipur

Work Experience

- **Content development and Content Editing Intern at Aptimania**
Worked on content development and editing projects, contributing to the creation of engaging and informative content.
- **Volunteer in Fashion Show at Jaipur Couture Show**
Assisted in organizing and managing a fashion show event, coordinating with team members and ensuring smooth execution.
- **UI UX Design intern at LeXi Ai**
Designed user-friendly interfaces for a legal AI platform by creating wireframes, high-fidelity UI designs, and interactive prototypes in Figma. Collaborated with the development team to improve user experience and ensure intuitive navigation for legal professionals.
